Julia Butler-Mayes and Naomi J. Norman

*USG Momentum Summit IV*

UNIVERSITY OF  
**GEORGIA**  
Office of Instruction

A close-up photograph of several chocolate brownies arranged on a white surface. Each brownie is topped with a thick, dark chocolate drizzle that is artfully swirled around the edges. The lighting is soft, highlighting the texture of the brownies and the glossy sheen of the chocolate.

# USG Momentum Approach

Deepening *purposeful* choices

Cultivating *productive* Academic Mindsets

Maintaining *full* momentum along a *Clear Pathway*

Heightening academic engagement

Completing critical milestones

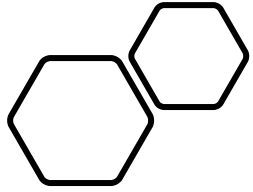

## 3 Interlocking Momentum Approach Goals for UGA

---

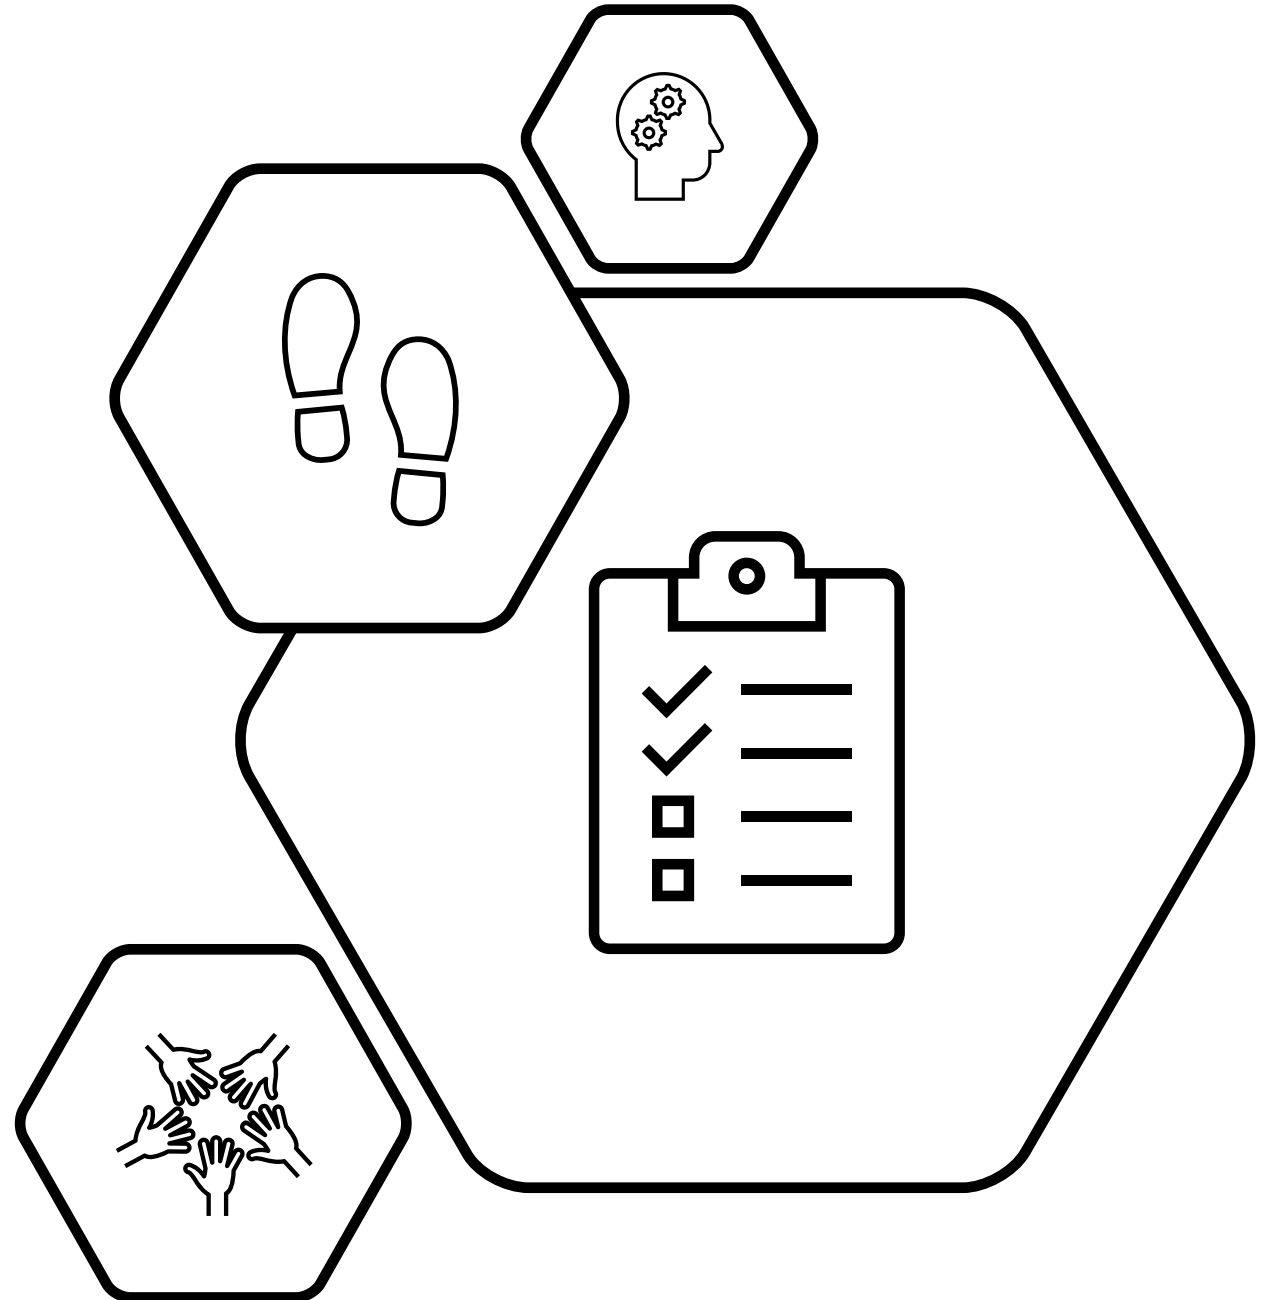

1. Deepening Purposeful Choices
2. Maintaining Full Momentum along a Clear Pathway
3. Completing Critical Milestones

**1.Orientation Survey | 2.Meta-Majors | 3.Holistic Program Maps**

# The Issues

Knowing	the student & their aspirations
Knowing	the degree requirements of the major
Knowing	all the opportunities
Knowing	the how to forge a path to success

# Solution

---

Academics  
Experiential Learning & Involvement  
Perspectives  
Career Readiness  
Wellbeing

# COMMUNICATION SCIENCES AND DISORDERS

Bachelor of Science in Education (B.S.Ed.)

# YEAR 3

## ACADEMICS

- Complete Courses Cohort Blocks 1 and 2; remaining electives
- Identify research opportunities with a faculty member
- Begin your graduation process:
  - Prepare your application
  - Attend CMSD Graduate School Event

## EXPERIENTIAL LEARNING & INVOLVEMENT

- Apply to be a COE Ambassador
- Apply to be a COE Peer Mentor
- Begin shadowing hours relevant to your graduate program
- Become a leader in a student organization
- Participate in an additional Experiential Learning –designated program, internship, or course

## PERSPECTIVES

- Participate in or lead an IMPACT Service Break
- Participate in the Global Buddies Program
- Attend a Cultural Heritage Month event
- Attend a Signature Lecture
- Attend a COE Office of Diversity, Equity, and Inclusion event

## GET CAREER READY

- Schedule an appointment with your COE career consultant to learn ways to gain relevant shadowing experience.
- Complete an internship or part-time job.
- Update/revise resume and begin first draft of personal statements for application materials.
- Request references from professors and supervisors

## WELLBEING

- Meet with a Wellness Coach
- Participate in U Matter Training
- Meet with a nutrition counselor or attend a peer nutrition educators' program
- Visit the Athens Farmers Market West Broad Farmer's Market, or State Botanical Garden

# YEAR 4

## ACADEMICS

- Complete Courses Cohort Blocks 3 and 4
- Prepare for graduate school:
  - Take entrance exams for graduate school
  - Apply to graduate school in the fall semester
- Participate in research with a faculty member
- Apply to Graduate
- Register for COE Convocation
- Sign up for Alumni News

## EXPERIENTIAL LEARNING & INVOLVEMENT

- Become a leader in a student organization
- Complete relevant shadowing hours relevant to your graduate program

## PERSPECTIVES

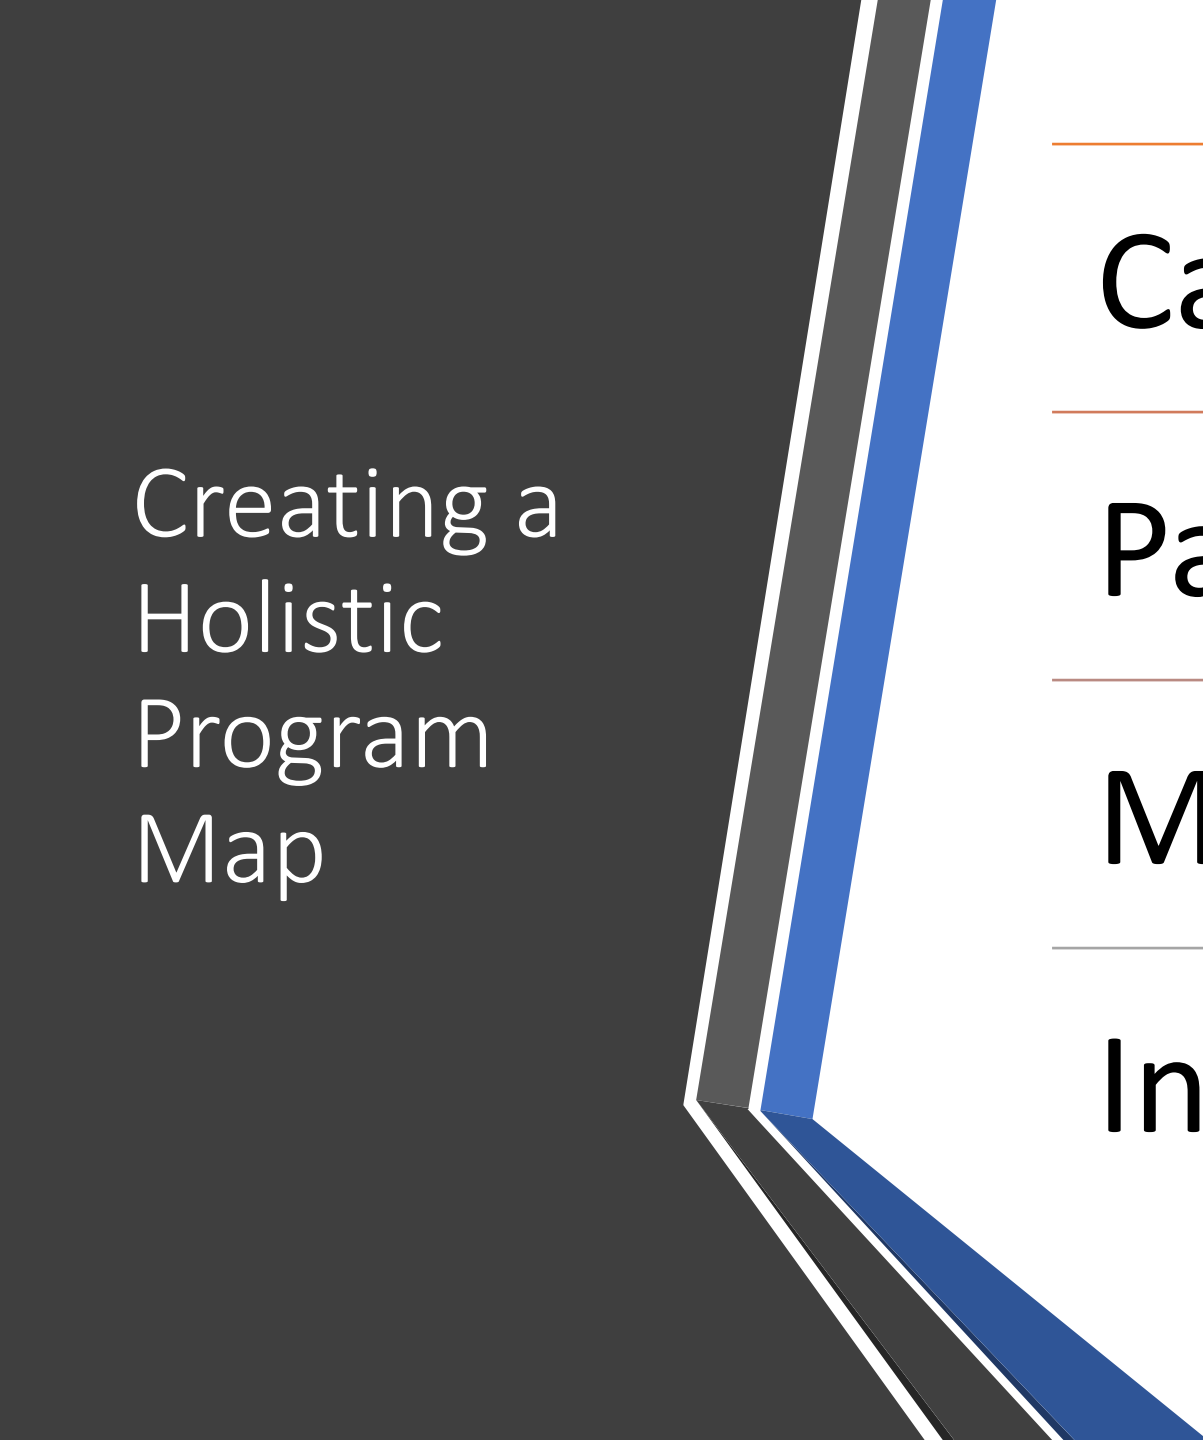

- Share your perspectives as part of TEDxUGA or by actively engaging in community dialogues (e.g. It's Time to Talk)
- Participate in the Athens community via Office of Service Learning
- Serve as a leader for IMPACT Service Break or a service organization

## GET CAREER READY

- Develop a job search strategy with your career consultant
- Attend the Graduate School Fair in November
- Attend Arch Ready events to get the Arch Ready Professionalism Certificate
- Maintain relationships with professors and supervisors who serve as references

## WELLBEING

- Maintain consistent physical activity habits
- Attend "Budgeting and Money Management"
- Visit the Athens Farmers Market, West Broad Farmers Market, or State Botanical Garden

# The Qualtrics Form

As part of [USG's Momentum Approach](#), UGA is creating Major Maps to provide a holistic overview for students so they can clearly envision their collegiate undergraduate experience.

Each Major Map is separated into 4 years and has 5 main categories with 3-5 bullet points each. You can view an example Major Map here - [Major Map Example](#).

If you do not feel prepared to complete all sections for your major, we encourage you to gather information from college contacts and campus partners, as needed, to compliment your area(s) of expertise. Some ideas:

- **Academics:** academic advisor(s), program faculty
- **Experiential Learning :** college-level Experiential Learning office; college-level student activities/engagement office; Division of Student Affairs; Office of Service Learning; CURO; etc.
- **Perspectives:** College-level Diversity, Equity, and Inclusion and/or culture-based office/program(s); Office of Global Engagement, Office of Institutional Diversity; Division of Student Affairs
- **Career:** Career Consultant and/or Pre-Professional Advisor as appropriate (if major is pre-health or pre-law)
- **Wellbeing:** Division of Student Affairs

We appreciate you taking the time to complete the survey below so we can create your Major Map. Once completed, Major Maps will be live on the Office of Instruction website page and will be updated on a regular basis.

If you have any questions, please contact [advising@uga.edu](mailto:advising@uga.edu).

UNIVERSITY OF  
GEORGIA

What major are you representing?

- Accounting
- Advertising
- African American Studies
- Agribusiness
- Agricultural and Applied Economics
- Agricultural Communication
- Agricultural Education
- Agricultural Engineering
- Agriscience and Environmental Systems
- Animal Health
- Animal Science
- Anthropology
- Applied Biotechnology
- Arabic
- Art
- Art Education
- Art History
- Asian Languages and Literature
- Astrophysics
- Atmospheric Sciences
- Avian Biology
- Biochemical Engineering
- Biochemistry and Molecular Biology
- Biological Engineering
- Biological Science
- Biology
- Cellular Biology
- Chemistry
- Civil Engineering
- Classics
- Cognitive Science
- Communication Sciences and Disorders
- Communication Studies
- Comparative Literature and Intercultural Studies
- Computer Science
- Computer Systems Engineering
- Consumer Economics
- Consumer Journalism
- Criminal Justice
- Culinary Science & Nutrition
- Dairy Science
- Dance (A.B.)
- Dance (B.F.A.)

Enter it here.

UNIVERSITY OF  
GEORGIA

### Year One

If specific information isn't provided by you or a campus partner for any of the areas below, we will insert broadly applicable information for your major. These areas can be updated at any time.

Example:

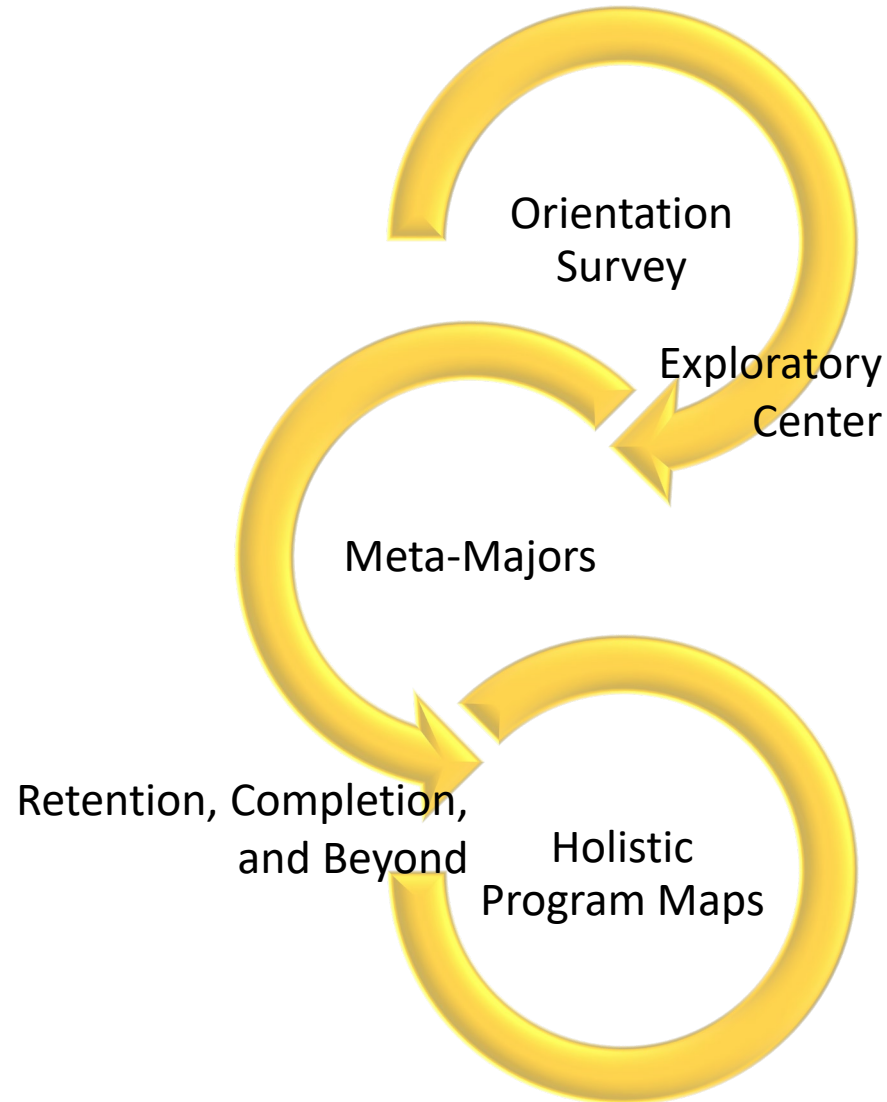

[https://ovpi.uga.edu/\\_training/major\\_map/](https://ovpi.uga.edu/_training/major_map/)

Academics - Provide any course load or academic focused development efforts recommended for the major.

Experiential Learning and Involvement - Make suggestions for experiences, clubs, service learning or other activities that will benefit students.

Perspectives - Recommend different perspectives and participation in cultural experiences.

Check Out These Majors

## Agribusiness

College of Agriculture and Environmental Sciences

**B.S.A.**

**MINOR**

Can lead to these jobs:  
Accountants and Auditors

## Dietetics

College of Family and Consumer Sciences

**B.S.F.C.S.**

Can lead to these jobs:  
Dietitians and Nutritionists

## Journalism

Grady College of Journalism and Mass Communication

**A.B.**

Can lead to these jobs:  
Lawyers, Photographers

# Q & A

*Julia Butler-Mayes, [jmbm@uga.edu](mailto:jmbm@uga.edu) | Naomi J. Norman, [nnorman@uga.edu](mailto:nnorman@uga.edu)*

Academics: provide course load and any academic-focused items.

Experiential Learning & Engagement: make suggestions for experiences, clubs, service-learning and other activities that will benefit your students.

Perspectives: recommend ways to acquire different perspectives and to participate in cultural experiences.

Career Readiness:

Wellbeing:
